- Git
- RESTful api
- Postman
- Visual Studio
- ADO.NET/ Dapper/ Entity Framework
- .NET Core
- WinForm
- Blazor

👤 About me

I am a dedicated software engineer with 10 years of experience, specializing in .NET technologies and RDBMS. I am skilled in interface design and implementation, with a strong ability to adapt to new trends and technologies. I excel at working in teams, providing guidance, and delivering solutions that align with organizational objectives. My goal is to contribute to impactful projects while continuing to grow in my career.
